

The Wildcat Foundation, of the Mechanicsburg Area School District, invites you to help create our history!

With your purchase of a brick paver, you provide support to both the **Wildcat Foundation** and the **Trails and Trees Environmental Center**.

The brick paver campaign began as part of the expansion and redesign of the Trails & Trees Environmental Center; your engraved brick paver will be placed in the walkways leading to this one-of-a-kind learning center.

Whether your paver honors a child's graduation or accomplishment; recognizes a teacher or coach; or is given in memory or honor of a loved one, your name or phrase will create a lasting tribute, paving the way for generations to come.
